

ITALIAN UPDATE TERM 2

Here is our Year Six Class (Classe Sei) showing us their masks (La Maschera - The Mask). The Class made up their very own colourful masks. They were made to honour Carnevale, which is celebrated especially in Venezia in February. A lot of fun activities were covered to learn about this. Carnevale stops on Shrove Tuesday, the day before Ash Wednesday.

Classe Sei love a challenge and race to complete their work. Here students are finding and translating words on "Good Manners" and "Greetings". Well done Year 6.

Our best class for Term One was Classe Tre (Year 3). They got the most gold ticks for hard work and top effort in all areas and were rewarded with a visit from Signorina Venezia and 'Una Sorpresa'.
Congratulazioni Classe Tre!!!
Bravi ragazzi !!!!!
