

A lot has happened since Term 2 in Year Four!

Last term we participated in Dance Sport lessons every Thursday, which we thoroughly enjoyed. During week 10, we were invited to an Interschool Competition where we competed against other schools in the Jive, Square Rumba and Slow Rhythm. At first we were all really nervous, but we persevered through the nerves and all had a really fun day.

In week 1 of Term 3, we went to Mandurah Performing Arts Centre with Year Three and watched a performance called “SaltBush”. It was about two Aboriginal friends, who explored across all the different Australian landscapes. It was a really interesting show because of the way it was performed. The floor was interactive and we all got a chance to participate and perform with the actors.

This term we are preparing for our First Holy Communion. Not everyone in our class is receiving the Sacrament, so they are offering their support through prayer and participating in class lessons and activities. Please keep us in your prayers as we prepare ourselves.
