

Term 2 in Year 5!

Wow! What a term it has been in Year 5! We have all been very busy this term and have been having heaps of fun learning some awesome things. Check them out below!

Persuasive Writing

This term in writing we have been learning about Persuasive Writing. We had to convince our fellow classmates about whether or not we should be completing homework each night. With some debating and strong arguments our class was torn as to whether or not homework should be completed. We each came up with three reasons supporting our argument and wrote examples to support this. In the next few weeks we are moving on to debating! Stay tuned to hear how our speeches go!

Dare Adventure Camp

In Week 5 we travelled by bus to Dare Adventure Camp in Dwellingup with the Year 6 class. We had an excellent day completing a confidence course, BMX track and joining in on some team building activities. The best part of the day by far was crawling through the mud pit.

Sorry Day 2017

This term our class was assigned the task of planning and preparing Liturgy for our school.

the Sorry Day

We decided to learn more about Sorry Day before organising the Liturgy, and through our lessons we decided to create some posters to show our understanding of this

event.

Here are some

images of our posters that were displayed on Sorry Day.
