SCHOOL PHOTO DAY - Wednesday 25 May

Our school photo day is coming! Every student will have received a Kapture Photography envelope today. The recommended method of ordering your photos is online through Kapture’s website as your payment is secure and can be easily verified at any time.

Alternatively you can pay by cash and return the provided envelope to the school on the photography day. If you place your order online please DO NOT return your envelope to school.

Any parent who forgets or is unable to supply their envelope on the photo day will have five (5) days to complete an order online. Late payment envelopes cannot be accepted by the school office or by Kapture.

You also have the option to order a sibling photo package online, however please be aware there may be a limited number of sibling orders that can be placed due to time constraints on photo day. We suggest you place your online sibling order as early as possible to avoid disappointment.

Please note sibling orders close @ midday Tuesday 24 May 2016

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on 9240 1714 or email enquiries@kapture.com.au.

All students will be photographed individually on photo day for school administration records AS WELL as included in their class group photo available for purchase to all families. Should there be any reason why your child should NOT be included in the photo shoot – please contact the school office.

Tuning in to Kids
Emotionally Intelligent Parenting

A six session parenting program for parents of children aged 3 – 10 years old

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!
