**R.C.I.A.** The Rite of Christian Initiation of Adults is a process where enquirers are welcomed into an environment of Catholics who share their own living faith guided by Gospel values and what it means to be a follower of Jesus. The journey in faith with the Church Community allows time for the enquirers to examine their own relationship with God and they are free to journey as long as they wish. Swim School Programs
Term 3, 2016 - commencing 18 July 16

Preferential enrolments open 20 June 16
General enrolments open 27 June 16

Infant Aquatics
Be part of your child’s first aquatic experience. Our experienced staff combine water familiarisation with fun to show parents how to encourage their child to relax and enjoy the aquatic environment. Our infant aquatics program is endorsed with the Royal Life Saving Society and caters for children from 4 months to 3 years. Stages are broken into six month increments to ensure skills match the development and growth of the child.
Term fee $127.00.

Preschool Swimming
Tadpoles: 3/4 years
Turtles: 4/5 years
These preschool swimming programs encourage independence from parents/guardians in an aquatic environment using play and self-discovery. These stages also prepare the child for the Learn to Swim strand by teaching survival skills and basic stroke development.
Term fee $127.00.

Learn to Swim and Survive
Based on the Royal Life Saving Society’s nationally recognised curriculum with stages 1-15 available. Classes are undertaken with an AustSwim-qualified instructor who teaches stroke development and survival skills while encouraging enjoyment and water safety. Level progression is identical to the Department of Education’s VacSwim and school in-term programs making it user friendly for all.
Another major advantage is our program places equal importance on both stroke correction and survival skills. Students are educated about safe behaviour in various aquatic environments. They develop rescue abilities and are introduced to resuscitation. In addition to this our instructors also correct your child’s swimming technique.
Term fee $127.00.

Squads
Transitional (Children must have completed Stage 7 to be eligible to enter)
Our transitional squad focuses on developing stroke technique with a strong emphasis on correction, lane etiquette and learning how to dive and tumble turn. This is perfect for children to gain more knowledge for school carnivals.
Term fee $95.00. Thursday’s 3.30pm - 4.30pm.
Fitness
Swimmers in our fitness squad focus on improving their endurance, learning how to swim at different paces, introduction to bi lateral breathing and continuing to master dives and tumble turns. All participants need to have completed Stage 7.
Term fee $95.00. Thursday’s 4.35pm - 5.35pm.

One month until Australia’s largest online event

In just one month’s time, millions of people across Australia will pause to complete the 2016 Census of Population and Housing, to see how the country looks and how it is changing.

The 2016 Census will employ more than 39,000 temporary staff who will travel a distance equivalent to almost 200 trips around the circumference of the planet in order to count over 24 million people in about 10 million households, who come from over 200 countries and speak over 300 different languages.

Head of the 2016 Census, Deeza Young, said the August 9 Census will be the easiest and most accessible ever, with people able to complete Census from their own home or on their smartphone, tablet or computer. “We expect 1.6 million people to complete the survey online.”

“Last month and into early August, the ABS will deliver some 10 million letters to every household around the country in preparation for Census night,” Ms Young said. “The letters will be addressed ‘To the Resident’ and include a unique login and instructions on how to complete the Census online, as well as details on how to request a paper Census form.”

“The 2016 Census is Australia’s moment to pause and make a difference, and help shape the future of Australia.”

Background information on the 2016 Census of Population and Housing

Data collected from the 2016 Census will support funding decisions for services and infrastructure including housing, transport, education, industry, hospitals, and the environment.

Data from the 2016 Census will enable the ABS to produce information about Australia to better meet the needs of the Australian people. ABS data are also available for download in CSV format for public use.

Key 2016 Census dates
- Late July to early Aug 2016
- Week of Aug 9
- Sept 2016
- April 2017

Census instruction letters and forms will be delivered.

How to complete the Census

August 9 is Census night

It's our moment to pause and play a role in shaping the future of Australia

It's important that everyone is counted in the Census

All information collected is secure, confidential and never shared with anyone

You can complete the Census in one of two ways.

Online

Completing the Census online is fast, easy, secure and environmentally friendly. You can use any internet-enabled computer or device.

1. From 1 August, households will receive a letter from the ABS with a unique online login code for completing the Census online and information on how to order a paper form.

2. On August 9 go to census.abs.gov.au and login using your unique code.

3. Complete the Census fully and accurately and submit your online form as soon as you've finished.

Paper

If you choose, you can complete the Census using a paper form.

1. Call the Census Paper Form Request Line on 1300 820 275 to order a paper form.

2. Complete the Census fully and accurately and return the form as soon as possible via the enclosed reply paid envelope.

Get online on August 9

Our moment to make a difference.

Look out for your household’s Census letter. Use the unique Census Login to complete your Census online on August 9, or follow the directions to order a paper form.
