AN EMAIL FROM PROJECT COMPASSION ....

Dear Supporter,

Thank you for your incredibly generous donation to Project Compassion this year. **Together we have raised over $11 million!**

Without your support, we would simply not be able to continue many of the life-changing programs that end poverty, promote justice and uphold the dignity of vulnerable communities across Africa, Asia, Latin America, the Pacific and here with First Australian peoples. So on behalf of the millions of people your contributions support, we say a huge thank you!

As part of our thank you, we would also like to share a special video with you, which can be found at the link below, to show you what your support means and show how the Australian community comes together in such a unique way to help those most in need.

Yours gratefully,

Paul O'Callaghan  
CEO

Want to claim bragging rights for your school?

By encouraging your school kids aged 8-18 to enter the Act-Belong-Commit Dwellingup 100, your school could take home the trophy for the most number of riders in the Schools Cross-Country (XC) Championships!

The Act-Belong-Commit Dwellingup 100 hosts the State School Mountain Biking Championships each year and sees hundreds of kids riding the 14km course, with categories for U12, U14, U16 and U18 in both male and female. The D14 event is the perfect opportunity for kids to get a great start in the sport, with experienced mountain bikers leading the way. The general D14 event is open to riders of all ages so parents can accompany their children as well.

Held on Saturday 3rd September only an 1 hour 20 minutes from Perth, this is a great opportunity for the kids to get outdoors while experiencing a new, fun, muddy sport!

One month until Australia's largest online event

In just one month's time, millions of people across Australia will pause to complete the 2016 Census of Population and Housing, to shape the country's largest and most significant online event.

The 2016 Census will employ more than 35,000 temporary staff who will travel a distance equivalent to almost 200 trips around the circumference of the planet in order to count over 24 million people in about 10 million households, who come from over 200 countries and speak over 300 different languages.

Head of the 2016 Census, Dr Cover Young, said the August 9 Census will be the easiest and most accessible ever, with people able to complete their Census from their own home on their smartphone, tablet or computer. We expect 16 million people to complete the survey online.

"Later this month and into early August, the ABS will deliver some 10 million letters to every household around the country in preparation for Census night," Mr Young said.

"These letters will be addressed "To the Resident" and include a unique login and instructions on how to complete the Census online, as well as details on how to request a paper Census form."

"The 2016 Census is Australia's moment to pause and make a difference, and help shape the future of Australia's investment in housing, roads, schools and hospitals," Mr Young said.

For more information about the Census visit www.census.abs.gov.au or follow us on Facebook and Twitter.
