MEMORARE

Remember, most loving Virgin Mary,
Never was it heard that anyone who
turned to you for help was left unaided.
Inspired by this confidence, though
burdened by my sins,
I run to your protection for you are my mother.
Mother of the Word of God, do not despise
my words of pleading but be merciful
and hear my prayer.
Amen

FROM THE PRINCIPAL’S DESK

Welcome to the newsletter! What a wonderful community building fortnight it has been at St Josephs.

SPORTS CARNIVAL: Last week was dominated by sports carnivals with the jumps and throws on Tuesday and the running events and team games on Friday. WOW...what a success!

From the outset, Mrs Gundry did a brilliant job. Her commitment and energy to providing first-rate physical education opportunities within our school is wonderful. Thankyou Mrs Gundry! The days were superbly organised and provided our students with a carnival that offered challenges, fun, teamwork, personal success and importantly a healthy and active lifestyle.

It was so wonderful to see so many parents out supporting and encouraging. This ‘parent passion’ was no more obvious than in the combined Faction student, staff and parent relay, in the last race of the day. To see an array of bodies ‘sprinting’ down the track, doing their best and (thankfully not damaging themselves) was just a great way to end the day and highlights the significance of the Sports carnival to the St Joseph’s community.
Thankyou to our special helpers on the day. To our judges, the stress of the close finishes was at times evident but your enthusiasm never waivered. To you all, thankyou for donating your time and encouraging all our runners as they came across the finishing line. Special mention to Mr Hughes for his skills as Starter (as well as coach, organiser, encourager), to Mrs Romeo who ‘did not stop all day’, marshalling and encouraging our athletes and to Mr Fitzpatrick who, although his children have left our school, continues to come back and commentate with such silky tone, great skill and enthusiasm. A huge thankyou must also go to Mr Hey and Mr Agnew who gave up a day of their own time to mark out the track at the Sir Ross McLarty Oval, and to Mrs McClements for her skills in creating the scoring sheets.

Congratulations to PEEL, the winning team, and to our individual champion athletes. (Detailed further into the newsletter.)

FATHER’S DAY BREAKFAST AND MORNING TEA: What a really special morning our Father’s Day breakfast and Mass turned out to be. Although the weather was not kind, the outcome of the day was deemed to be a huge success on so many levels.

It was uplifting to see ‘our dads’ come into school and socialise with each other, as well as join in this opportunity with their child. Thankyou for supporting this breakfast and for continuing to contribute to the development of our St Joseph’s community. Special thanks to all the staff for their support in arriving at school so early to get things moving. From 6:30am our dedicated team cooked, cracked, flipped, toasted, served, and cleaned to make the day special for our dads. With just over 200 bacon and eggs rolls being eaten, it was a big ‘cook-up’.

An extra special thanks to Mrs Douglas for her wonderful hospitality in planning, co-ordinating and bringing the breakfast together, and to Jared and Natalie Marriott for kindly donating their paddock-pastured free range eggs from the their business in Furnissdale, ‘The Roaming Hen’. These were sensational eggs! For more information, please call Jared or Natalie at ‘The Roaming Hen’ on 0418 919 560.

Following on from this we celebrated Mass in the church, led by Father Gayan and presented and prepared by our Year Three Class. It was a moving service and well supported by a group of dads who were able to stay behind after breakfast. Thankyou to Miss Flatt, for all your work in preparing this Mass, with the PowerPoint being a highlight. Also, to Mr Anderson and our Year Three students for being our readers for the day. It really was a great morning!

FATHER GAYAN’S HOME VISITS: I have had a few parents mention to me they received a home visit from Father Gayan. How fortunate St Joseph’s School and St Augustine’s Parish is to have Father Gayan as the Parish Priest. One of the things that Father loves doing is meeting with families within our school and Parish community. To do this Father believes it is important to spend time ‘walking and talking’ within the streets and neighbourhood. It is a great opportunity for him to meet with parishioners, practice his ministry and offer his services and support, should they be needed. So if you see Father Gayan within your neighbourhood or walking up your street, I am sure he would appreciate your hospitality, as well as an opportunity for a conversation to be taken up. We are blessed to have him sharing his faith within our school, parish and community.
OPEN NIGHT: Don’t forget the school is ‘open’ tonight from 5pm—6pm. This is the official school Open Night whereby students will have a chance to show their parents/caregivers what they have been doing in class. Please support your child and make the time to come along and celebrate their efforts in what they have been doing this year. (I encourage you to come early, beat the cold and get home just in time for the footy).

Don’t forget to check out the MJR tip of the week. These continue to be very prevalent within our school and are a wonderful means to ‘connect’ with the daily living we would all like to associate with, as demonstrated to us by Jesus. They are geared at the students but can be used by everyone. This week, BIY is a ripper!

Hope it’s a safe, happy and healthy week for you all.

Take care,

Darrin Croft

**Making Jesus Real** comes at you at 360 degrees.

Don’t leave Jesus as a person in History, connect with his message everyday living out your religion in all that you say and do.

MAKE EVERYDAY AN MJR DAY!

B.I.Y—BELIEVE IN YOURSELF!

Very often we put ourselves down, and we think we haven’t many talents. It is sometimes a good thing to list a few things we can do—walking, talking, reading, listening, maths, spelling, etc. What are our interests, sports, and hobbies? Are we interested in computers, music, singing, movies? We all have achieved certain abilities since we were very young. If we keep telling ourselves that we are not good at anything—this is a negative attitude, and a negative attitude will pull us down. It can be like riding a bike up hill with the handbrake on.

Often if we haven’t succeeded the first two times we give up.

List the things you can do, believe in yourself and have a positive attitude to keep trying. Don’t compare yourself to others.
